

North East Scotland's Coastal Trail

Collieston Harbour and Beach

Welcome to the North East Scotland's Coastal Trail. Visit this area of coastline to see dramatic cliffs, white sand beaches and an abundance of wildlife. Stop off in one of the many coastal communities each with their own history and heritage. With so many places to visit, print off this handy leaflet to take with you as you make your way round the trail.

The trail is easy to follow, just look out for the road signs which are white on brown with a blue anchor logo. Or, if you are using satellite navigation, each entry has a postcode listed.

Visit www.aberdeen-grampian.com for more information.

Road Sign

If you would like further information en route then just stop at a tourist information centre.
